Skimming Device Located – Suspect Arrested

FOR IMMEDIATE RELEASE

Released By: VPD Public Relations
Date: August 1, 2023

On Monday, July 31st, 2023, at approximately 12:00 p.m., Victoria Police Department officers responded to a hospital in the 500 block of East San Antonio Street in reference to a possible ATM Skimming Device. Upon arrival, officers made contact with an employee who located the device. Through preliminary investigation, officers and detectives believed three subjects were involved with the skimming device inside the ATM. A short time later, officers located one of the subjects in the 600 block of East San Antonio Street. She was identified as 32-year-old Illinois resident, Leydis Rodriguez.

Rodriguez was arrested and charged for the following:

Unlawful Use of Criminal Instrument
Fraud/Poss/Use Credit or Debit Card Information
Possession of Controlled Substance PG 2 <1G

This is an ongoing investigation. Anyone with information can contact Detective Wilkinson at 361-485-3700 or twilkinson@victoriatx.gov. If you would like to remain anonymous, contact Victoria Crime Stoppers at 361-572-4200.
